11th February 2026

Letter Number: PSM/PRIV/2026/9

Esteemed Members

Asia-Pacific Institute for Broadcasting Development (AIBD)

Ref: Asia Media Summit 2026 – Republic of Maldives

Dear Esteemed Members of AIBD,

Greetings from the Public Service Media (PSM), Republic of Maldives.

It is our great honour and privilege to host the **21st Asia Media Summit (AMS 2026)**, which will take place in Maldives from **11 – 14 May 2026**. With sincere warmth and respect, we extend an invitation to all distinguished delegates to join us for this important gathering.

The Asia Media Summit continues to serve as a leading international platform that brings together broadcasters, media professionals, industry leaders, academics, researchers, experts, and policymakers from across the world. It remains a valued forum for exchange on the rapid changes in the media sector and the technologies shaping its future.

Hosting this significant event is a matter of pride for the Republic of Maldives. We are confident that delegates will benefit from the discussions, expert sessions, and knowledge-sharing throughout the Summit. We also hope that all participants will experience the cultural identity, natural beauty, and warm hospitality that define our island nation.

The theme for AMS 2026, **“Maldives 2.0: From Tradition to Tech,”** reflects our national vision, preserving our heritage while embracing the digital era. This Summit serves as an opportunity to acknowledge the region’s progress and to work together toward a resilient, innovative, and future-ready regional media ecosystem.

We look forward to welcoming you to Maldives for a productive and memorable Summit.

Please accept the assurance of my highest consideration.

Sincerely yours,

Ahmed Shakeeb
Managing Director, Public Service Media
Republic of Maldives
